Volunteer Opportunities

Help us meet our goal to **grow our volunteer base**. Research shows that parent involvement positively impacts student success. It also shows that students learn best with engaging activities. PTA programs and events provide enrichment and build our community. Our programs and events need volunteers to run successfully. If we all do some, the work is lighter for everyone. There are a lot of options and we would love to connect you with an activity that fits your schedule and interests. **Each family that fills out our volunteer opportunity form by September 1 will be entered into a gift card drawing.**
